**May Communicator Deadline: April 20, 2021**

*“then in these swelling and ebbing currents,  
these deepening tides moving out, returning,  
I will sing you as no one ever has,  
streaming through widening channels  
into the open sea”.* Rainer Maria Rilke, *Book of Hours*

Although here in Iowa, we are far from the sea, I think everyone has an appreciation for that experience of walking along the shore and feeling the immensity and power of the waves and tides. We can remember moments when we have stood on the beach and felt its expansiveness call to our spirits. It reminds us again that the nature of life and the power of God is so much more than our individual lives and yet holds us too. And the image of the open sea is such a beautiful way to think about the future: open and widening, known and yet **undiscovered**. **As we walk into this future, let us “sing you as no one ever has.” Let us sing the grace and love of God.**

As we move into April, Jane Jacobson will be writing some articles regarding our upcoming Strategic Planning process. I hope you will look at those. I hope you will again feel as though the expansiveness of **God’s intention is moving among us.**

Spring is awakening the dormant earth here in Iowa, and we are looking to rebirth in so many ways. Soon, we hope, the majority of people who want a vaccine will be vaccinated, and at Collegiate UMC/Wesley Foundation, we are beginning to plan the time when we can reopen for in person worship. There are still preparations to attend to and patience to proceed carefully, but just as the trees are budding and the shoots of plants are breaking through the ground, we are starting to look toward a return to gathering with one another. We are beginning with Morning Watch services each Sunday morning at 8 a.m. following Easter. The Sunrise Service Easter morning at 6:45 will begin this season of gathering outdoors.

We are anticipating a big outdoor gathered service on Pentecost which is May 23rd. We are hoping that the day will be bright and sunny and we can gather to sit in lawn chairs on the south lawn or in our cars as we include the option of FM transmission of the service to car radio. Of course, the service will be live streamed and available to watch online too. This Pentecost, as we remember the birth of the Christian church many centuries ago, we will also celebrate our rebirth as a community of faith emerging from the cocoon of the pandemic. We certainly hope you will join us!!

The days from Easter to Pentecost are called Eastertide, and in this season, we celebrate how the living Spirit of God renews us, consoles us, and walks with us through all of our days. May we keep the Collegiate UMC/WF in prayer and love as we walk forward together.

Light and grace,

Pastor Mary

# HOLY WEEK SERVICES

Collegiate United Methodist Church and Wesley Foundation

## PALM SUNDAY *March 28th*

We hope you will join us for digital worship at 10:00 am on Palm Sunday. Our theme will be Again and Again We Draw on Courage – John 12:1-19. On Palm Sunday, we remember that Jesus' entry into Jerusalem was not a risk-free, palm party. It was a protest parade—a protest against those in power, a parade to prepare the way for a different kind of king. And this was all happening with plots to kill Lazarus (and Jesus) building in the background. We're reminded that the crowds were brave to show up that day, and that Jesus drew on courage to face his journey to the cross. The root of courage is "cour," meaning "heart." Courage is deep within us; drawing on courage is both internal and external. We often find it when we most need it, when everything else has been stripped away. We will enjoy a digital palm parade and music from the bell choir.

## MAUNDY THURSDAY *April 1st*

On Maundy Thursday we will discover that Again and Again We are Held Together. Footwashing is a practice of radical vulnerability, of being seen and known. Jesus loved the disciples "to the end." In this act, we remember that God holds all of our pain, vulnerability, doubts, and sufferings. As we venture toward the cross, we can lean into God's everlasting arms, knowing we are held. Our Maundy Thursday service will be digital at 7:00 pm. Music will be provided by Stephanie Scherbart and Jane Kennedy.

## GOOD FRIDAY *April 2nd*

Good Friday: Again and Again We Find Ourselves Here -Stations of the Cross. Again and again, we find ourselves at the foot of the cross, at the pit of despair, in the face of death, in the grip of state sanctioned violence. "Here" is an emotional place. "Here" is grief. "Here" is the reality of sin and brokenness. On Good Friday, we are called to sit in the silence of death, knowing that God is here. We will join digitally at 7:00 pm. Music by Lindsay Drake.

## EASTER SUNDAY *April 4th*

Easter- Again and Again the Sun Rises– Mark 16: 1-8 According to Mark, on the first day of the week, the women rise with the sun and buy spices to anoint Jesus' body. They are shocked to find the tomb empty, and leave in fear and terror. Mark's resurrection story is less triumphant than the other Gospel testimonies (as scholars believe the remainder of Mark's gospel was a later addition). In Mark's version, we are reminded that Easter comes to us, again and again, even if we don't know what to make of God's resurrection ways. Again and again, the sun rises. And some days, that is enough. More information to come about worship times and formats.

## Is It Time To Review Your Estate Plan?

Here is a checklist to help with this important task:

- **Review your will**, checking for any updates that may need to be made
- **Check that the executor you've named** is still the qualified individual you want to manage your estate
- **Confirm the guardian** named for your dependents is still the right person. Does a guardian still need to be listed?
- **Update beneficiaries designated** for your insurance and retirement plans
- **Name a health care power of attorney** to guide your family and health care providers

Share the following language with your estate planning attorney to add Collegiate/Wesley and/or the Endowment Fund in your Will or Living Trust:

I give, devise, and bequeath to Collegiate United Methodist Church, a non-for-profit corporation existing under the laws of the State of Iowa and located in Ames, Iowa, \_\_\_\_\_ (percent of my estate, dollars, properties, securities, etc.) to be used for \_\_\_\_\_ (however you wish the gift to be used) at Collegiate United Methodist Church.

## “Progress in the Paint”

While the building has been closed, we have been updating various spaces. This month we have begun a refresh on our beloved Wesley Hall! A team of volunteers and representatives from various church groups have been meeting with our Professional Designer, Katherine Rants, who also happens to be a CUMC/WF Wesley Alumni!

After many meetings, site tours, and paint samples, the final selection of colors has been made. In the next several weeks, walls will be repaired, the carpet on the wall will be taken down, a new coat closet constructed, and the new paint will go up on the walls. I will be keeping the in-progress pictures hidden for awhile to build suspense, and maybe round up a few volunteers for the next step. If you want a sneak peek at the updates to Wesley Hall, we are looking for volunteers to help strip, sand, repair, and stain the woodwork. If this is something you might be interested in helping with, please email me at [Doug@cwames.org](mailto:Doug@cwames.org). Of course, we will share pictures of the project once it is complete!

## AMOS

The Collegiate Wesley AMOS Immigration Group would like to share the following with our fellow friends at CW. We are a part of two important community initiatives to help our neighbors in need.

The **COVID-19 Emergency Fund for Story County Immigrants** has brought our community together during the pandemic. Since April, 2020 over \$250,000 has been raised to assist with rent and utility payments for our community immigrant and refugee neighbors. At this time the balance in the fund is \$8300. Over 623 individual rent and utility assistance payments have been made to 113 households.

The stories of the beneficiaries are varied, but the common theme is the difficulty of living with a small or no safety net. One recipient who has DACA status; but her spouse does not and did not receive coronavirus relief payments, said she can't imagine where she or her children would be without the support of this fund."

Thanks to those of you who have contributed to this fund. Donations continue to be accepted at:

c/o St. Cecilia  
2900 Hoover Avenue  
Ames, Iowa 50010

Or [GoFund Me](#)

The **DACA (Deferred Action for Childhood Arrivals) Support Fund** which is being administered through ASIP (Ames Sanctuary Interfaith Partners) is providing scholarships to help existing and new DACA recipients in Iowa cover the cost of the government application/renewal fee of \$495.

Here are some quotes from recent recipients:

**"Receiving the help to pay for my DACA renewal has been such a blessing for my family. Receiving the help took a big weight off my shoulders. Before having the help you guys provided for me, I was beyond worried on how to come up with that money as I was not stable due to being high risk to COVID. I truly appreciate the support you guys gave me and the opportunity to continue to be in this country safe and with my family."**

**"This fund has given me so much hope and excitement for my future. The money I have received from ASIP has felt like a blessing and a final push to become a DACA recipient! I am so grateful for all the lovely people who have donated. It goes to show that there are some good-hearted people in our community. Thank you for helping achieve my dream of becoming a 'dreamer'."**

Your tax-deductible donation to ASIP will go to DACA recipients who are struggling to pay these government fees.

## Collegiate Wesley Relay for Life Team

Cancer won't quit. So neither can we. Collegiate Wesley has created a Relay For Life (RFL) team this year! RFL is an annual fundraising event for the American Cancer Society (ACS). ACS provides support for cancer patients, survivors, and caregivers – this takes the forms of a 24/7 support hotline, Hope Lodges to provide housing during cancer treatments, rides to and from cancer treatments, and grants to fund cancer research.

COVID-19 has put cancer patients at risk – attacking already weakened immune systems, delaying cancer treatments, and closing many clinical trials. Because of the impact cancer has had on our lives, we are doing something about it. We joined Relay For Life to remember people we've lost and offer up support to anyone in our community who is affected by cancer. And that's why we need your support!

The funds we're raising will help sustain critical research and patient services in this difficult time. Believe us, every dollar really does count, so we're asking for your help. Join our team [here](#) and click on the "Join Our Team" button. You'll be able to set up your individual RFL page and request donations through links and social media. All ages are welcome; it's not just a "college thing".

The annual Relay For Life event will take place virtually this year on Thursday, April 15th, at 7:30pm. Additional details to come. This event will remember those who we've lost to cancer, honor our cancer survivors, celebrate the funds raised to continue ACS's mission. For more information or questions contact Nathan Ross [drummernater@gmail.com](mailto:drummernater@gmail.com).

## Thank You

Thank you to the 29 families who took part in our “Do-It-Yourself” Advent Workshop in December. This was the largest workshop we have ever had. A big thank you to the members of the committee: Sandy Stevenson, Jill Brand, Dianna Nelson, and Megan Schroder; Lauren Loonsfoot, who did all of the registration set-up, and Sandy Stevenson, Jane Jacobson and Kitty Lamont who helped assemble materials. The biggest thank you goes to Paul Brackelsberg, who single-handedly made 25 fresh green wreaths that were given to the families who participated. ~ Mary Buck

## Office Policy on Sharing Contact Information

### Update: Sharing Contact Information

**The Church Council is making an adjustment to the policy on sharing CW members' contact information.**

Based on research on peer churches and the capabilities of the church database, the Council approved a three-phase transition to an electronic directory.

1. Effective immediately: Upon receiving a request for member contact information, the church office will notify the church member. The member can then decide whether to honor the request.
2. All CW members are invited to help us update the database. An up-to-date and accurate database has never been more important. We need your help to make sure that the information we have for you is updated and correct. Please use [this link](#) to fill out a form that will automatically update your information. Those with more than one person in your household, please fill out a form for each person.
3. Soon, an electronic directory will be available for all CW members who entered their information in the church database. Individuals will be able to select what contact information they want to appear in the directory.
